

# Pray Europe

Focusing on prayer for Europe during the 40 days of Lent

The call is going out to thousands of believers around the globe to rally together in prayer for spiritual awakening in Europe! Join us in this special initiative called *PrayEurope 40-40-40* taking place from Ash Wednesday, Feb. 17<sup>th</sup> through Easter, April 4<sup>th</sup>, 2010. Participants will receive a daily reminder to pray throughout the Lenten season.

- 40 Countries** - Pray for Europe during Lent
- 40 Days** - Pray for a specific country each day
- 40 Seconds** - Pray for at least 40 seconds

## WHY PRAY?

God uses ordinary people to affect change as we pray in His power. We believe that the upcoming decade is God's time to bring spiritual renewal and awakening to Europe. There are signs that the hard soil of Europe is softening. In the late 80's, Communism fell as the swelling tide of believing prayer engulfed a failing world system. The physical walls have come down – now is the time for the spiritual walls to crumble as well.
